Hotel Celio
ROMA

Hotel Celio is a delightful 20-room hotel rich in atmosphere situated in the hearth of 19th Century Rome, just a short walk away from the Forum and the Colosseum. Be received in a beautiful 1870 mansion which combines sheer elegance with the traditional warmth of old Roman houses.
Classical drapes and fittings,frescoes,mosaic flooring and trompe l'oeil provide an ambience all its own.

Our guests may access the high speed internet directly from their room on Wireless, but there is also an internet point in the lobby with our WiFi laptop free of charge.
The rooms, welcoming and unusually spacious,are each distinguished by a large fresco illustrating Renaissance themes balancing art and elegance with the most modern appliances: *satellite* and *cable tv, dvd,videoplayer,safebox,minibar,hair-dryer, air conditioning*.
The upper floors are equipped with Jacuzzis.

Our latest addition is a splendid Penthouse Suite overlooking the Colosseum and very recently on our beautiful roof garden were added a Technogym Wellness room and little pool.
